BRINGING HIGH QUALITY MAKERS MARKETS TO PICTURESQUE LOCATIONS ACROSS VICTORIA SINCE 1975

Our History

We believe in small beginnings.

In 1975, four couples at a dinner party envisaged a market for local people to sell or barter their seasonal produce, as well as providing an outlet for crafts and foods.

They had a dream to create a place in Red Hill located in the Hinterland on the Mornington Peninsula, where local producers, artists and craftspeople could meet to trade their wares.

Their dream became a reality and Craft Markets Australia was born.

Over forty years later we proudly run markets in some of the most beautiful locations in Victoria.

Step into a Craft Market and be enchanted by the fascinating mix of on trend creative stalls as well as the stalls you recognise from your childhood.

Wander, taste, enjoy and be inspired.
